Logo License Fees

Purpose: Establish the fees for obtaining a license to use the NTEP Logo.

Background: NCWM has developed a license agreement granting private companies the privilege of using the NTEP Logo and NTEP statements. Discussion took place as to whether there should be a cost and, if so, how much.

See *NTEP Publication 14 Administrative Policy* and the NTEP Logo Usage Guidelines for more information.

Policy:

1. There shall be no license fee for holders of Certificates of Conformance, however the holder shall sign the agreement prior to use of the NTEP logo.
2. Members of NCWM who wish to use the NTEP logo, but who are not holders of Certificates of Conformance shall pay a one-time fee of \$800 to enter into a license agreement.
3. Non Members of NCWM who wish to use the NTEP logo, but who are not holders of Certificates of Conformance shall pay a one-time fee of \$1,200 to enter into a license agreement.
