Immanuel Fontenelle

an  Immanuel care community

Welcome to Immanuel Fontenelle!

Located on the Immanuel Village campus, Immanuel Fontenelle is surrounded by beautifully landscaped gardens, courtyards and near many medical and professional services, restaurants, and shopping.

Our five neighborhoods within one community are specially designed to serve residents with differing needs—long-term care, short-term rehabilitation, memory support, advanced personal care and hospice.

Immanuel's culture, to provide Christ-centered service to seniors and each other, is apparent in the care that is provided and the lifestyle that is fostered.

Long-Term Care Residences

When you or someone you care about needs 24-hour skilled nursing care, Immanuel Fontenelle provides a warm, welcoming, home-like environment.

Each suite is tastefully furnished, has a private bathroom, cable TV, telephone service, and views of the beautifully landscaped grounds.

Restorative care services, including exercise and activity to maintain or improve physical and mental abilities, are available and encouraged for residents to feel their best.

Memory Support

Our memory support neighborhood offers a safe, secure, supportive environment designed for those with Alzheimer's and other forms of dementia. Our staff is trained to care for those with memory loss—ensuring a calm environment that supports the needs of each individual.

Focused Therapeutic Recreation

We provide a variety of experiences to fulfill physical, emotional, spiritual, and social aspects of our residents' lives. Our licensed recreational therapists provide custom programs tailored for each individual's interests and needs. We offer experiences that are educational, active, social, spiritual, and offer a wide variety of special interest groups to meet our resident's needs.
