The Lighthouse

an  Immanuel care community

Welcome to The Lighthouse!

Located on the Lakeside Village campus, The Lighthouse is transforming long-term care for seniors and their families. The Lighthouse was designed to challenge the model of a traditional nursing home—both in environment and in the delivery of care.

The Lighthouse provides a warm, welcoming, home-like environment with private, spacious residences designed for your comfort and individuality.

We offer a customized approach to individual care, provided by our 24-hour professional nursing staff, supported by a medical director. Our care partners maintain close relationships with residents and their families.

Immanuel's culture, to provide Christ-centered service to seniors and each other, is apparent in the care that is provided and the lifestyle that is fostered.

Simply Comfortable Living

We respect your routines, needs, and desires. We get to know you, customize your care, and treat you as we would our own family.

Each residence is tastefully furnished, has a private bathroom, cable TV, and telephone service. Our residents are encouraged to make themselves at home, and enjoy the many community spaces available for residents, friends, and families to gather.

Delicious and nutritious meals are prepared by our executive chef and served family-style in a gracious dining room. Living rooms with flat screen televisions and a community area are inviting for gathering with friends and family. Our beautiful chapel provides regular interdenominational worship services.

Focused Therapeutic Recreation

We provide a variety of experiences to fulfill the physical, emotional, spiritual, and social aspects of our residents' lives. Our licensed recreational therapists provide custom programs tailored for each individual's interests and needs.
