EXPLORE LINCOLN

[Begin Now](#)

MORNING

Start your day with a guided driving tour of the city of Lincoln. You will see both historic sites such as the **Governor's Mansion** and modern day developments such as **Union Plaza**. From there, your journey will continue on to the **Nebraska State Capitol** where you view beautiful mosaics and murals featured inside the historic building. The **Nebraska History Museum** is the next stop on the tour. This museum features displays and exhibits about our state and its citizens.

AFTERNOON

Continue your historic adventure with lunch at Billy's Restaurant. Named after William Jennings Bryan, the elegant "Noble-Dawes House" located near the Nebraska State Capital Building was built in 1887. The Chautauqua Bar and the dining rooms named for William Jennings Bryan, Charles Dawes and George W. Norris give a fascinating glimpse into a grand era in U.S. History.

EVENING

After lunch, kick it into gear at **Speedway Motors Museum of American Speed**. The museum has thousands of physical examples of persons who, lived, loved and had the passion for speed. After fueling up at Speedway Museum, head down to the **Historic Haymarket District** and **Railyard Entertainment District** for an afternoon of exploring on your own. Stop by the **Lincoln Visitors Center**, located in the Haymarket, to pick up a self-guided walking tour, otherwise, spend time shopping, eating and drinking in our local establishments.
