WHEREAS, Municipal Energy Agency of Nebraska ("MEAN") is authorized, pursuant to the provisions of Sections 18-2401 to 18-2485, Reissue Revised Statutes of Nebraska, 1997, as amended (the "Act"), to issue its revenue bonds for the purposes of, among other things, providing funds to acquire "power projects," as such term is defined by the Act, to refund such revenue bonds, to provide or increase reserves and to pay all other costs or expenses of MEAN incident to and necessary or convenient to carry out its purposes and powers; and

WHEREAS, the Board of Directors of MEAN adopted on August 21, 2003 its 2003 Power Supply System Revenue Bond Resolution (the "2003 Bond Resolution"), as supplemented and amended, providing for the issuance, pursuant to resolutions supplemental to the 2003 Bond Resolution, of additional series of revenue bonds, the proceeds of which are to be used to pay all or a portion of the Cost of Acquisition and Construction of the System; and

WHEREAS, MEAN has previously issued its Power Supply System Revenue Bonds, 2003 Series B (the "2003 Series B Bonds") pursuant to the 2003 Bond Resolution and a Second Supplemental 2003 Power Supply System Revenue Bond Resolution adopted by the Board of Directors of MEAN on August 21, 2003; and

WHEREAS, the Board of Directors of MEAN has determined and hereby determines that it is advantageous, necessary and in the best interests of MEAN to issue, sell and deliver in accordance with the 2003 Bond Resolution a series of bonds, to be designated its Power Supply System Revenue and Refunding Bonds, 2008 Series A (the "2008 Series A Bonds"), and to apply the proceeds thereof for the purposes of (a) paying a portion of the Cost of Acquisition and Construction of improvements and additions to the System, including: (i) the acquisition of a 23.5% undivided ownership interest in an existing 85 MW coal-fired, steam electric generating unit located in Campbell County, Wyoming (the "Wygen I Facility"), pursuant to the Wygen I Purchase and Sale Agreement dated August 18, 2008 between Black Hills Wyoming, Inc. and MEAN and (ii) MEAN's portion of the costs of certain capital additions to the Wygen I Facility (collectively, the "2008A Project"), (b) current refunding all of the outstanding 2003 Series B Bonds, (c) paying costs of issuance of the 2008 Series A Bonds, and (d) funding the Debt Service Reserve Account; and

WHEREAS, the Board of Directors of MEAN hereby determines that it is in the best interest of MEAN to explore the benefits of obtaining a municipal bond insurance policy with respect to the 2008 Series A Bonds, and in connection therewith to make such other agreements as are required by the provider of any such municipal bond insurance policy as conditions of its issuance of such municipal bond insurance policy; and
WHEREAS, it is necessary for MEAN to authorize the execution of a contract of purchase, with respect to the sale of the 2008 Series A Bonds, between MEAN and Goldman, Sachs & Co., as representative of the underwriters (collectively, the "Underwriters");

(a) The 2008 Series A Bonds are issued for the purpose of (i) paying the Cost of Acquisition and Construction of the 2008A Project, (ii) current refunding all of the outstanding 2003 Series B Bonds, (iii) paying costs of issuance of the 2008 Series A Bonds, and (iv) funding the Debt Service Reserve Account.

(b) The proceeds of the 2008 Series A Bonds shall be deposited and applied in accordance with the Certificate of Determination.

Section 2.03. Delegation of Authority. (a) There is hereby delegated to Authorized Officers of MEAN, subject to the limitations contained herein, the power to determine and effectuate the following with respect to the 2008 Series A Bonds:

(i) the aggregate principal amount of the 2008 Series A Bonds, provided that such aggregate principal amount shall not exceed $85,000,000;

(xi) any other provisions deemed advisable by an Authorized Officer of MEAN not materially in conflict with the provisions of this Third Supplemental Resolution or of the 2003 Bond Resolution.

(b) In addition to the authority delegated above, the Authorized Officers are hereby delegated further authority to determine whether, in light of current conditions in the municipal bond market, it is impractical, uneconomic or inadvisable to issue 2008 Series A Bonds to refund the 2003 Series B Bonds. In the event that such refunding is determined to be impractical, uneconomic or inadvisable, the Authorized Officers may thereafter (i) determine to issue Additional Bonds for that purpose pursuant to the authority, and subject to the limitations, contained herein, including the limitation that the total principal amount of the 2008 Series A Bonds issued to finance the Cost of Acquisition and Construction of the 2008A Project and the Additional Bonds issued to refund the 2003 Series B Bonds shall not exceed, in the aggregate, $85,000,000, (ii) convert the interest rate on the 2003 Series B Bonds to a fixed interest rate pursuant to the provisions of the 2003 Bond Resolution and the Second Supplemental Resolution and (iii) take all other actions necessary or appropriate in connection with and to give effect to such determination or conversion. In the event that the 2008 Series A Bonds are initially issued only to finance the Cost of Acquisition and Construction of the 2008A Project, the Authorized Officers shall, in the Certificate of Determination therefore, delete the words “and Refunding” from the name of the 2008 Series A Bonds and shall assign a different name and Series designation to the Bonds issued to refund the 2003 Series B Bonds and make such other changes as they shall deem necessary or desirable and not inconsistent with the provisions hereof.
(c) An Authorized Officer of MEAN shall execute one or more certificates evidencing determinations or other actions taken pursuant to the authority delegated above, an executed copy of which shall be delivered to the Trustee. Each such certificate shall be deemed a Certificate of Determination and shall be conclusive evidence of the action or determination of such officer as to the matters stated therein. The provisions of each Certificate of Determination shall be deemed to be incorporated in Article II hereof.

Section 2.04. Place of Payment and Paying Agent. (a) MEAN hereby appoints the Trustee as the initial Paying Agent for the 2008 Series A Bonds, and reserves the right to appoint any other or additional Paying Agents as permitted by the 2003 Bond Resolution. Except as provided in Section 2.02 of the 2003 Bond Resolution, the principal and Redemption Price of the 2008 Series A Bonds shall be payable at the principal corporate trust office of the Paying Agent. The interest on 2008 Series A Bonds shall be paid by check or draft payable to the registered owner and mailed by first class mail, postage prepaid, to the address of such Person as it shall appear on the books of MEAN kept at the office of the Bond Registrar.

(b) Notwithstanding Section 2.05, a Holder of $1,000,000 or more in aggregate principal amount of 2008 Series A Bonds, upon the written request of such Holder to the Trustee, received on or prior to a Record Date, specifying the account or accounts to which such payment shall be made, payment of interest when due shall be made by wire transfer of immediately available funds. Any such direction or request shall remain in effect until revoked or revised by such Holder by an instrument in writing delivered to the Trustee.

Section 2.05. Payment of Interest on 2008 Series A Bonds; Interest Rights Reserved. Interest on any 2008 Series A Bonds, which is payable, and is punctually paid or duly provided for, on any Interest Payment Date shall be paid to the Person in whose name that 2008 Series A Bond is registered at the close of business on the Regular Record Date.

Any interest on any 2008 Series A Bond which is payable, but is not punctually paid or duly provided for, on any Interest Payment Date ("Defaulted Interest") shall forthwith cease to be payable to the Holder on the relevant Regular Record Date by virtue of having been such owner, and such Defaulted Interest shall be paid by MEAN to the Persons in whose names the 2008 Series A Bonds are registered at the close of business on a date (the "Special Record Date") for the payment of such Defaulted Interest, which shall be fixed in the following manner. MEAN shall notify the Trustee in writing of the amount of Defaulted Interest proposed to be paid on each 2008 Series A Bond and the date of the proposed payment, and at the same time MEAN shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such Defaulted Interest as in this subsection provided. Thereupon, the Trustee shall fix a Special Record Date for the payment of such Defaulted Interest which shall be not more than 15 nor less than 10 days prior to the date of the proposed payment notice of the proposed payment. The Trustee shall promptly notify MEAN of such Special Record Date and, in the name and at the expense of MEAN, shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first-class postage prepaid, to each 2008 Series A Bondholder at his
address as it appears in the books of registry kept by the Bond Registrar, not less than 10 days prior to such Special Record Date. The Trustee may, in its discretion, in the name and at the expense of MEAN, cause a similar notice to be published at least once in an Authorized Newspaper, but such publication shall not be a condition precedent to the establishment of such Special Record Date.

Subject to the foregoing provisions of this Section, each 2008 Series A Bond delivered under the 2003 Bond Resolution upon transfer of or in exchange for or in lieu of any other 2008 Series A Bond shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other 2008 Series A Bond.

Section 2.06. Regulations With Respect to Exchanges and Transfers. In all cases in which the privilege of exchanging 2008 Series A Bonds or transferring registered 2008 Series A Bonds is exercised, MEAN shall execute and the Trustee shall authenticate and deliver 2008 Series A Bonds, in accordance with the provisions of the 2003 Bond Resolution. Upon the transfer of any 2008 Series A Bond, MEAN shall issue in the name of the transferee a new 2008 Series A Bond or Bonds of the same aggregate principal amount, interest rate and maturity as the surrendered 2008 Series A Bond. All 2008 Series A Bonds surrendered in any such exchanges or transfers shall forthwith be delivered to the Trustee and canceled or retained by the Trustee. For every such exchange or transfer of 2008 Series A Bonds, MEAN or the Bond Registrar may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange, transfer or registration. Neither MEAN nor the Bond Registrar shall be required (a) to transfer or exchange any 2008 Series A Bonds between a Record Date and next succeeding Interest Payment Date for the 2008 Series A Bonds, or for a period of 15 days next preceding any selection of 2008 Series A Bonds to be redeemed or thereafter until after the first mailing of any notice of redemption, or (b) to transfer, exchange or register any 2008 Series A Bonds called for redemption.

Section 2.07. Offices for Servicing Bonds. MEAN hereby appoints the Trustee as the Bond Registrar to maintain an agency for the registration, transfer or exchange of 2008 Series A Bonds and for the service upon MEAN of notices, demands and other documents, and the Trustee shall continuously maintain or make arrangements to provide such services.

Section 2.08. Tax Covenants. MEAN covenants and certifies to and for the benefit of the purchasers of the 2008 Series A Bonds that:

(a) it will at all times comply with the provisions of the Tax Exemption Certificate, this Third Supplemental Resolution and the rebate requirements contained in Section 148(f) of the Code;

(b) no use will be made of the proceeds of the issue and sale of the 2008 Series A Bonds, or any funds or accounts of MEAN which may be deemed to be proceeds of the 2008 Series A Bonds, pursuant to Section 148 of the Code and applicable regulations (proposed or promulgated) under which, if such use had been reasonably expected on the date of issuance of the 2008 Series A Bonds, would have caused the
2008 Series A Bonds to be classified as "arbitrage bonds" within the meaning of Section 148 of the Code;

c) it will not sell or dispose of the capacity from the 2008A Project in such manner that such sale, disposition or use would cause the 2008 Series A Bonds to be "private activity bonds" described in Section 141 of the Code;

d) it will not take any action that will adversely affect the exemption from federal income taxation of interest on the 2008 Series A Bonds, nor will it omit to take any action necessary to preserve the exclusion from federal gross income of interest on the 2008 Series A Bonds;

e) it will make, execute and enter into (and take such actions, if any, as may be necessary to enable it to do so) any Supplemental Resolution or Tax Exemption Certificate necessary to comply with any changes in law or regulations in order to preserve the exclusion from federal gross income of interest on the 2008 Series A Bonds to the extent that MEAN may lawfully do so; and

f) it will (i) impose such limitations on the investment or use of moneys or investments related to the 2008 Series A Bonds, (ii) make such payments to the United States Treasury, (iii) maintain such records, (iv) perform such calculations and (v) perform such other acts as may be necessary to preserve the exclusion from federal gross income of interest on the 2008 Series A Bonds.

Pursuant to these covenants, MEAN obligates itself to comply throughout the term of the issue of the 2008 Series A Bonds with the requirements of Section 103 of the Code and the regulations proposed or promulgated thereunder.

Section 2.09. Disposition of Certain Investment Earnings. The investment earnings on the amounts on deposit in the 2008A Construction Account in the Construction Fund shall be retained therein until MEAN shall deliver the certificate provided for in Section 5.03(f) of the 2003 Bond Resolution. Thereafter any moneys remaining on deposit in such subaccount shall be transferred and deposited as provided in Section 5.03(f) of the 2003 Bond Resolution.

Section 2.10. Further Authority. The Authorized Officers of MEAN are, and each of them is, hereby authorized to do or perform all such acts and to execute all such certificates, documents and other instruments as may be necessary or advisable to provide for the issuance, sale and delivery of the 2008 Series A Bonds and the consummation by MEAN of the transactions contemplated herein.

ARTICLE III

BOND AND RESERVE INSURANCE

Section 3.01. Authorization of Bond Insurance. In connection with the issuance of the 2008 Series A Bonds, MEAN may purchase a Policy relating to the 2008 Series A Bonds as
provided in the Certificate of Determination. The obtaining of the Policy, if any, and the payment of the premium therefor and any bond rating fee required to be paid by MEAN relating thereto, are hereby authorized and approved. The Certificate of Determination shall identify the Insurer and may include any provisions necessary or desirable to satisfy conditions imposed by the Insurer on the issuance of the Policy.

Section 3.02. Authorization of Debt Service Reserve Insurance. In connection with the issuance of the 2008 Series A Bonds, MEAN may purchase a 2008A Reserve Policy as provided in the Certificate of Determination. The obtaining of the 2008A Reserve Policy, if any, and the payment of the premium therefor, and the execution and delivery of any agreement relating thereto, are hereby authorized and approved. The Certificate of Determination shall identify the 2008A Reserve Policy Provider and may include any provisions necessary or desirable to satisfy conditions imposed by the 2008A Reserve Policy Provider on the issuance of the 2008A Reserve Policy.

ARTICLE IV

Section 401. Redemption of 2003 Series B Bonds. All of the 2003 Series B Bonds are hereby called for redemption on their first redemption date following (a) the date of original issuance and delivery of the 2008 Series A Bonds, in the event the 2008 Series A Bonds are initially issued, in part, to refund the 2003 Series B Bonds or (b) the date of original issuance and delivery of the Bonds issued to refund the 2003 Series B Bonds, in the event that the 2008 Series A Bonds are initially issued only to finance the Cost of Acquisition and Construction of the 2008A Project (the “Redemption Date”).

Notice of redemption shall be given as provided in Sections 4.05 of the 2003 Bond Resolution and Section 4.02 of the Second Supplemental Resolution.

ATTEST:

Secretary-Treasurer
This bond is one of a duly authorized issue of bonds of MEAN designated as its “Power Supply System Revenue and Refunding Bonds, 2008 Series A” in the aggregate principal amount of $______________ issued pursuant to the Municipal Cooperative Financing Act of the State of Nebraska, as amended and supplemented (herein called the “Act”), and under and pursuant to a resolution of MEAN, adopted August 21, 2003, entitled “2003 Power Supply System Revenue Bond Resolution,” as supplemented by the “Third Supplemental Power Supply System Revenue Bond Resolution,” adopted October 30, 2008 (herein collectively called the “Bond Resolution”) for the purpose of (a) refunding all of MEAN’s outstanding Power Supply System Revenue Bonds, 2003 Series B and (b) paying a portion of the cost of the acquisition and construction of a 23.5% undivided ownership interest in an approximately 85 MW coal-fired, steam electric generating unit located in Campbell County, Wyoming.

As provided in the Bond Resolution, the 2008 Series A Bonds are direct and special obligations of MEAN payable solely from and secured as to payment of the principal or redemption price thereof, and interest thereon, in accordance with their terms and the provisions of the Bond Resolution solely by (a) the proceeds of the sale of the 2008 Series A Bonds, (b) the Revenues, (c) on and after the Prior Resolution Retirement Date, all right, title and interest of MEAN under the Power Supply Contracts and (d) all funds established by the Bond Resolution (excluding the Operating Credit Account) including the investment income, if any, thereof, subject only to the provisions of the Bond Resolution permitting the application thereof, for the purposes and on the terms and conditions set forth in the Bond Resolution. The pledge affected by the Bond Resolution of the Revenues and of MEAN’s right, title and interest under the Power Supply Contracts is subordinate to MEAN’s prior pledge thereof under and pursuant to a resolution of MEAN, adopted March 16, 1983, entitled “Power Supply System Revenue Bond Resolution” (the “1983 Resolution”). Subject to the pledge of the 1983 Resolution, the Bond Resolution pledges and assigns to, and grants a security interest in, the Revenues to the holder of the Operating Credit Obligation on a parity with the pledge, assignment and grant with respect to the Revenues described in the preceding sentence and the moneys in the Operating Credit Account. Copies of the 1983 Resolution and the Bond Resolution are on file at the office of MEAN and at the corporate trust office of Wells Fargo Bank Nebraska, National Association, Lincoln, Nebraska, as Trustee under the 1983 Resolution and the Bond Resolution, or its successor as Trustee. Reference to the Bond Resolution and any and all supplements thereto and modifications and amendments thereof and to the Act is made for a description of the pledge and assignment and covenants securing the 2008 Series A Bonds, the nature, extent and manner of enforcement of such pledge, the rights and remedies of the Registered Owners of the 2008 Series A Bonds with respect thereto, the terms and conditions upon which the 2008 Series A Bonds are issued and may be issued thereunder, the terms and conditions upon which this bond shall cease to be entitled to any lien, benefit or security, under the Bond Resolution and all covenants, agreements and obligations of MEAN under the Bond Resolution may be discharged and satisfied at or prior to the maturity or redemption of this bond if moneys or certain specified securities shall have been deposited with the Trustee, and for the other terms and provisions of the Bond Resolution.
As provided in the Bond Resolution, bonds of MEAN may be issued from time to time pursuant to supplemental resolutions in one or more series, in various principal amounts, may mature at different times, may bear interest at different rates and may otherwise vary as in the Bond Resolution provided. The aggregate principal amount of bonds which may be issued under the Bond Resolution is not limited except as provided in the Bond Resolution, and all bonds issued and to be issued under the Bond Resolution are and will be equally secured by the pledge and assignment and covenants made therein, except as otherwise expressly provided or permitted in the Bond Resolution.

To the extent and in the manner permitted by the terms of the Bond Resolution, the provisions of the Bond Resolution, or any resolution amendatory thereof or supplemental thereto, may be modified or amended by MEAN, with the written consent of the holders of not less than a majority in principal amount of the Bonds then outstanding under the Bond Resolution, and, in case less than all of the Series of Bonds would be affected thereby, with such consent of not less than a majority in principal amount of the Bonds of each Series so affected then outstanding under the Bond Resolution, and, in case such modification or amendment would change the terms of any sinking fund installment, with such consent of not less than a majority in principal amount of the Bonds of the particular Series and maturity entitled to such sinking fund installment then outstanding, and, in case such modification or amendment would affect the Operating Credit Obligation, with such consent of the holder of the Operating Credit Obligation; provided, however, that, if such modification or amendment will, by its terms, not take effect so long as any Bonds of any specified like Series and maturity remain outstanding under the Bond Resolution, the consent of the holders of such Bonds shall not be required and such Bonds shall not be deemed to be outstanding for the purpose of the calculation of outstanding Bonds. No such modification or amendment shall permit a change in the terms of redemption or maturity of the principal of any outstanding Bond or of any installment of interest thereon or a reduction in the principal amount or redemption price thereof or in the rate of interest thereon without the consent of the holder of such Bond, or shall reduce the percentages or otherwise affect the classes of Bonds the consent of the holders of which is required to effect any such modification or amendment, or shall change or modify any of the rights or obligations of the Trustee or of any Paying Agent without its written assent thereto. For purposes of calculating the principal amount of the Bonds outstanding, the aggregate principal amount of advances under the Operating Credit Obligation on the date of such calculation shall be included.

This Bond is transferable, as provided in the Bond Resolution, only upon the books of MEAN kept for that purpose at the above-mentioned office of the Trustee, by the registered owner hereof in person, or by his duly authorized attorney, upon surrender of this Bond together with a written instrument of transfer satisfactory to the Trustee duly executed by the registered owner or his duly authorized attorney, and thereupon a new registered Bond or Bonds, without coupons, of the same series, maturity and interest rate, and in the same aggregate principal amounts, shall be issued to the transferee in exchange therefor as provided in the Bond Resolution and upon payment of the charges therein prescribed. MEAN, the Trustee and the Paying Agent may deem and treat the person in whose name this Bond is registered as the absolute owner hereof for the purpose of receiving payment of, or on account of, the principal or redemption price hereof and interest due hereon and for all other purposes.
The 2008 Series A Bonds are issuable only as fully registered bonds in the denominations of $5,000 principal amount or any integral multiple thereof (except as provided in the Bond Resolution). Subject to the conditions and upon the payment of the charges provided in the Bond Resolution, the owner of any registered Bond or Bonds without coupons may surrender the same (together with a written instrument of transfer satisfactory to the Trustee duly executed by the registered owner or his duly authorized attorney) in exchange for an equal aggregate principal amount of registered Bonds without coupons of the same series, maturity and interest rate of any other authorized denominations.

The 2008 Series A Bonds are subject to redemption prior to maturity, at the option of MEAN, on or after ____________ 1, _____ in whole or in part at any time, at a redemption price equal 100% of the principal amount thereof, plus accrued interest to the redemption date.
